Because ECHS is a college preparatory school, our graduation requirements may not be the same as other high schools. We encourage you to contact our office for assistance in reviewing your transcript and ensuring you apply to the correct grade level. If an applicant does not have enough transferable credits to be enrolled in the grade they have applied for, they will be offered enrollment at the grade level corresponding to their credits.

**STUDENT INFORMATION**  
Please complete all information. Incomplete applications may not be considered. If a student indicates on their application that they are a Lawndale resident and they receive a preference in the lottery as a result, we will ask for proof of Lawndale residence prior to enrollment. Proof of residence can be established with a utility bill, or through an affidavit if you do not live in a fixed, regular nighttime residence. If you received a Lawndale resident preference in the lottery and you are not able to prove your Lawndale residence, your offer of enrollment may be rescinded.
