

WELCOME

Our Seniors Are Applying to College!

Our seniors are starting their college applications, and it is one of the most exciting times of the year at ECHS Lawndale! Supporting every senior through this process is one of the most important things we do.

One-on-One Support

One-on-one help with college lists, personal statements, and submitting every application on time.

Financial Aid Help

We guide families through the FAFSA or CA Dream Act and help students find scholarships.

Families as Partners

Ask your senior about their applications and deadlines, and celebrate each step!

■ Starting the Day Strong

We are working together to help every scholar start the day on time and ready to learn. In the first two weeks of school, 58% of our students had zero morning tardies, and our goal is 85%. **Please talk with your student about arriving on time each day. Even a few missed minutes can mean missing critical college-ready instruction and connection with teachers.** With your partnership, every scholar can start the day strong!

■ Join our Parent Ambassadors

If you are interested in volunteering or joining the program, please contact Cynthia Avila at 213-260-1283 or cynthia_avila@ecsonline.org.

THANK YOU

As we enter the season of gratitude, we are so thankful for our students and families. Thank you for your partnership and for sharing your scholars with us every day.
